

Email Lists / Traffic Kits

The Money Is In The List Program – *Hosting Add-on*

We develop and coordinate email list building using your email account on our servers:

- Build email lists with our landing pages in your specified website niche.
- Send emails to your list and to other lists automatically.
- Add to your email campaigns the power of cooperative emailing.
- We constantly add to your emailing lists new leads month to month.
- We create email series for your list subscribers and monetize for you.

Price: \$19.95 / month per 5 Email Lists
