# Website Profit Analysis Service

## WHY YOUR SITE ISN'T MAKING ANY MONEY – SOLVED!

A Complete Analysis of Your Website With Videos, Three Comprehensive Reports & Step By Step “Fix It” Instructions To Get Your Site Profitable In The Least Amount Of Time & Effort!

---

### REPORT #1 – TRAFFIC OPTIMIZATION

- I will show you what you need to change on your website to reduce irrelevance & optimize for your traffic.
- I will tell you exactly how to monetize your website and with what offers or type of product / services your traffic is begging for!
- I will analyze your traffic and backlinks and teach you how to optimize your SEO efforts for sales – not just traffic!
  - I will show you what type of content you need to have on your site, the writing style and writing techniques you need to utilize in order to lead your visitors toward your desired behavior – lead or buy!

---

### REPORT #2 – TRAFFIC LEAKS & IMPROVING CONVERSIONS

- I am going to examine your website’s traffic channels carefully to see if you have enough and proper traffic collecting mediums required for your website’s intended niche market.
- I will analyze your traffic channels to find deficiencies and leaks that are reducing your chances of making sales on your money site – and this includes sales pages and lead captures.
- I will show you how to correct the issues concerning your traffic channels so you can begin to recapture lost traffic that your business is grossly missing out on.
- I will show you how to develop new traffic channels that will increase your overall traffic and sales income!

---

### REPORT #3 – TARGETED NICHE CONTENT CREATION

- I will evaluate your website for the inclusion of this content and will customize it for your site, niche and business model.
- I will prepare 3 versions of this added material and give you the option of subscribing\* or licensing\* with your website or developing a dedicated website\* that you can bundle with yours for a double header sweep! (Extra Fees\*)
- This content will develop organic SEO that Google worships and will reward your site with lots of traffic in addition to the direct traffic that this content will automatically generate for you.
- This content will always be maintained and managed by me so you won’t have to worry about any technical stuff or add to your busy schedule – this is done for you!
